Notes

All warranty parts orders must include unit Serial Number and Application Survey.

Prices subject to change without prior notice. Call to confirm price and availability.

A Base assemblies include base, insulator, base o-rings, bondset, label with new S/N, and fasteners.

Modular assemblies for base assembly must be ordered separately if required.

C Shelf life on this product is approximately 6 months.

Customer should replace silicone seal at first sign of failure, or every 18 months, whichever comes first.

D Price of wire harness is per each fraction of a meter, i.e., 2.5 m = \$10.50 list price.
